Birla Institute of Technology, Mesra

Jaipur CAMPUS

Introduction: BIT Jaipur Campus

BIT Jaipur Campus was established in 1995. The focus of the institute is to provide quality education in Engineering, Applied Sciences and Management with technology and professional exposure through innovative programmes & practices. Driven by the mission that the technology and innovative management practices will be the gateway to the future growth, it is today one of the leading institutes of Rajasthan in the field of Engineering, Applied Sciences and Management.

The campus is well located in the southern-east part of the city which is an upcoming hub of important installations and development activities in residential, institutional and business areas. The campus is within 5-7 km reach from the airport, railway station and bus stand

Academic Programmes :

Vision

To become a Globally Recognised Academic Institution in consonance with the social, economic and ecological environment, striving continuously for excellence in education, research and technological service to the national needs.

Mission

- To educate students at Under-Graduate, Post-Graduate and Doctoral levels to perform challenging engineering and managerial jobs in industry.
- To provide excellent research and development facilities to take up Ph.D programmes and research projects.
- To develop effective teaching, learning skills and state-of-the-art research potential of the faculty.
- To build national capabilities in technology, education, and research in emerging areas.
- To provide excellent technological service to satisfy the requirements of the industry and overall academic needs of the society.

Undergraduate:

Bachelor of Technology (B.Tech.) in following branches of Engineering :

- i) Computer Science & Engineering (CSE)
- ii) Electronics and Communication Engineering (ECE)
- iii) Electrical & Electronics Engineering (EEE)
- iv) Artificial Intelligence(AI)

BCA with Specialization in (i) AI and ML (ii) DS

BBA with Specialization in (i) HRM (ii) Marketing (iii) Finance (iv) IT (v) Digital Marketing and (vi) Business Analytics

B.Sc. Animation & Multimedia

B.Sc. Artificial Intelligence and Data Science

B.Sc. Visual Communication

B.Sc. Business Analytics

Postgraduate:

MCA: Computer Applications

M.Sc. Artificial Intelligence and Data Science

M.Sc. Animation Design

Doctoral :

Ph.D Programme in Computer Science Engineering, Electronics & Communication Engineering, Management, Animation and Basic Sciences (Physics, Chemistry & Mathematics)

MAIN FACILITIES AND EQUIPMENTS

Building & Campus:

The institute is built up in about 10 Acre land (40000 Sq M) . The built up area is about 6700Sq M consisting of 14 Class Rooms, 15 Lab Halls, Mechanical Workshop, Seminar Hall (150 Seating Capacity), Common Computer/Internet Access Centre (30 Computers) , Library Hall, Canteen Hall, Indoor Sports & Gymnasium Hall , Student Common Hall and Administrative block. The institute has high speed Wi-Fi facility in whole campus for internet connectivity.

Lab & Equipment:

The institute has quality lab and software infrastructure . All required advanced lab equipment and software are available in the institute to conduct offered courses along with equipment required for Mechanical Workshop. The Institute has three Dell Power Edge servers and 400 computers for lab, internet and administrative requirement.

Library:

The institute library has good collection of text and reference books required for various courses . The reading room facility has been provided separately in air conditioned hall for journals, magazines, newspaper , etc. The digital library is also provided in the same hall with high end computers. Following resources are available in digital library :

Online e-Journals & e-books:

Engineering : IEEE, Science Direct & ASTM digital Library

Management : PROQUEST

Other Training Tools : Digital English Language lab

Faculty:

All the faculty members are well qualified and have a good research background. Faculty members have been selected as per UGC/AICTE norms and based on high merit standards of BIT, Mesra. All Selections are made after interview at Main Campus BIT , Mesra and the faculty are paced on regular basis in UGC grade as per 7th pay commission recommendations.

Student Activities (Technical , Sports & Other Extra Curricular Activities):

The institute has good facilities for various student activities that include sports , technical and cultural events. Three major events are organised every year for development of these aspects . These are Vibrations (Cultural Event), TechVibes(Technical Events) and Cavorts (Sports Event). In addition to these, for technology exposure and professional grooming the institute has following student forums ; IETE student Chapter, CSI Student Chapter, Technical Clubs, Entrepreneur Cell and Industrial Interaction Cell. For physical fitness of the students , the institution has a well equipped Gymnasium.

Alumni Cell:

BIT has strong Alumni strength and all students have access to Alumni Knowledge and Placement resources through out the world . BITOSA is a useful global forum under this cell.

Medical Facility:

The institution provides medical facility to all employees and students. Institution has MOU with medical practitioners who visit the institute regularly and provide counselling sessions and medical consultations.

Canteen:

BIT Jaipur campus Canteen operated on outsourced contract basis and offers hygienic food services meeting the student satisfaction at very competent price. It is Supervised by the committee of BIT students and staff members . The Canteen hall is air cooled and has pleasant inner and outside ambience

BTECH PROGRAMME

The Institution :

Birla Institute of Technology, Jaipur Campus is an integral part of Birla Institute of Technology, Mesra (Ranchi) which is one of the reputed academic institutions in India, founded in 1955 by renowned visionary-industrialist Shri. B.M. Birla, as a premier institution for Engineering & Management education. The institute has proud legacy of inherent academic and research strengths with a broad dynamic vision of consistent excellence. The BIT Jaipur Campus follows same norms and high standards of the main campus at Mesra with respect to courses, examinations, teaching, research, campus placement, faculty and lab infrastructure etc. The students get BIT Mesra Degree.

Highlighting Features of the BTech Programme

Some salient features of the B.Tech. Programme at BIT

- ▶ A Novel cause of pioneering excellence in engineering education in the country is behind the origin of the institute, different from short sighted causes mushrooming now days in the country.
- ▶ International Repute & Recognition of the institute and its courses with accumulated experience of more than 60 years in multiple disciplines covering complete academic hierarchy (UG, PG, Doctoral, Post-Doctoral Programmes)
- ▶ Consistent high ranking of the institute in the survey conducted by reputed Magazines and rank decided by NIRF (MHRD)
- ▶ A pool of expert faculty, selected based on merit and as per UGC norms.
- ▶ A large and high profile alumni base, supports institution repute and career of new students
- ▶ Complete & Sustainable Infrastructure with regular update
- ▶ A supportive Corporate base of the Birla group industries
- ▶ Regular course update by experts to consider new technological advancement
- ▶ Merit base selection criteria for students, no management or paid seats
- ▶ Competent Campus placement Cell with in house facility for skill and personality development, a consistent record of excellent placement and quality work profile offered to students in reputed companies along with selection of students in highly reputed institutions in India and abroad for higher education and research. The placement activities are centrally coordinated by the main campus at Mesra , Ranchi
- ▶ Consistent excellent record of student career progression, groomed in sober, Disciplined and competent academic environment
- ▶ High repute and recognition of BIT degree in India & abroad, the preferred criteria mostly reputed companies follow when scrutinize applications for high profile jobs. (For details about the B.Tech Programme, department profile and placement profile please visit institute website www.bitmesra.ac.in and then click Jaipur Campus)

(For details about the institution & admission procedure,
kindly visit the institute website: www.bitmesra.ac.in)

Features of the BTECH Programme

- A Novel cause of pioneering excellence in engineering & management education in the country is behind the origin of the institute, different from mushrooming short-sighted causes now days in the country.
- International repute and recognition of the institute and its courses with accumulated experiences of more than 55 years in multiple disciplines covering complete academic hierarchy (UG, PG, Doctoral programme)
- A pool of expert faculty selected and paid as per UGC norms and based on merit. Conducive & supportive environment for their professional development through research & international institutional interaction.
- A large & high profile alumni base supports institution repute and career of new students.
- Complete and sustainable infrastructure.
- A supportive corporate base of the Birla group industries.
- Regular course update by experts to consider new technological advancements.
- Merit base selection criteria for students, no management or paid seats.
- Competent Campus Placement Cell with in-house facility for Skill & Personality development, a consistent record of excellent placements and quality work profile offered to students for about five decades in reputed companies along with selection of students in highly reputed institutions in India & abroad for higher education & research. The placement activities are centrally coordinated by the main campus at Mesra.

(For details about the institution & admission procedure, kindly visit the institute website: www.bitmesra.ac.in)

ACTIVITIES

at the Campus

For overall personality development and technology exposure , following activities are a regular part of the annual sessions.

Name of the Club	Faculty Mentors	Activities
Cultural Club	Dr. Rajni Agarwal	
Sports Club	Mr. Vikas Sangvan Dr. Piyush Gupta	
AI Club (CSE)	Dr. V. Pathak Dr. Smitha Jha	
Programming Club (CSE)	Dr. M.M. Agarwal Dr. Pankaj Gupta	
BICtech Club (CSE)	Dr. Jitendra Goyal Dr. Anju Sharma	
Elektronika Electronics & Communication Club	Mr. Gaurav Jain Mr. Snehanishu Shekhar	
Power electronics and Drives Electrical & Electronics Club	Dr. Deepak Verma	
Galvanizers Club (Management)	Dr. Roopali Sharma Dr. Purvi Mathur Dr. Priyanshu Sharma Dr. J. K. Chandel	
Animation & Multimedia Club	Dr. Rishika Sharma Mr. Gautam Kr. Goswami	
Science Club MaPhyChem	Dr. Anand Kr. Srivastava	
News & Publication club	Dr. Purvi Mathur Dr. Vibhuti Pandya Dr. Rishi Pandey	

Blood Donation Camp

Every year blood donation camp is organized by students to be a part of the 'extended human family' with blood donation to save life of fellow members in crises. This is organized in association of HDFC Bank, Lions Club and Santokba Durlabhji Memorial Hospital. This is being organized in the memory of institution's learned teacher Late Prof. R. K. Popli who besides his excellent academic contribution, worked actively for humanitarian and social causes related to upliftment of tribal community in India.

The motivated students and staff members enthusiastically participate in the programme and donate blood for the Nobel cause.

Vibration

A Cultural & Art Fest : An expression of vibrating enthusiasm and artistic talent of BIT Jaipur Campus students.

TechVibes

A Technical Fest : The rich technical legacy of BIT gets new expressions in TechVibes, an event that stimulate minds to innovate and practically realize their knowledge and ideas.

Cavorts

A Sport Fest : An event to club physical and mental strengths. Sports play key role in personality development, specially, the good health, team spirit and competitiveness rate high in professional career now days.

Student Connect Programme

An initiation to have a forum for continued Interaction between the institution and passed out students. Main focus of the programme is to share useful information for further development of the Institution and its students. Every year , in the last semester an interactive session is organised with passing out students which is attended by all teachers and Director. Student share their experience during the course and give their suggestion for further improvement .

Student Chapters of Technical Societies

For more interaction with Technology and Research following Student Chapter are functioning at the campus ;

1. Student Chapter of Institution of Electronics & Telecommunication Engineers (IETE)
2. Student Chapter of Computer Society of India (CSI)

Summer Training

As an initiative to encourage practical exposure of the students on emerging technologies and industrial practices, and to enhance technical competence of students in specialized areas relevant to placement and professional career thereafter, training programme in relevant disciplines are organized in summer vacations every year .

Industrial Exposure

The institution has close interaction with key industries and Business Enterprises at national and regional level for industrial exposure and knowledge sharing programmes. Institution organizes Industrial tours for the students to get practical Exposure. In addition to this, institute facilitates industrial training and projects for the students during the summer vacations. The industrial interaction activities are mostly coordinated by students.

The prominent local partners for regular industrial interaction are; REIL, BSNL, Genpact, Bosch, Genus, NEI, Ericsson, Infosys, IFB, Deutsche Bank, Axis Bank, , etc. The institution also has active interaction with key industrial forums like; CII, FICCI, PHDCII, FORTI, etc. The institution invites experts from corporate and industries for regular invited lectures

No.	Event	Date	Days
1	Registration of Courses on the ERP Portal, Student Induction Programme (SIP) and Commencement of Classes	25.08.25	Monday
2	First Quiz	22.09.25 to 26.09.25	Monday to Friday
3	Mid Semester Examination	13.10.25 to 18.10.25	Monday to Saturday
4	Assignment/Second Quiz	06.11.25 to 14.11.25	Thursday to Friday
5	Last Day of Classes	11.12.25	Thursday
6	Preparatory Leave	12.12.25 to 14.12.25	Friday to Sunday
7	Display of Shortage of Attendance on Departmental Notice Boards	12.12.25	Friday
8	Submission of Shortage of Attendance From Departments to Academic Programme Office	12.12.25	Friday
9	Last Date of Locking of Internal Assessment Marks on ERP	12.12.25	Friday
10	End Semester Examination	15.12.25 to 20.12.25	Monday to Saturday
11	Showing of Evaluated Answer Scripts to Students (on or before)	23.12.25	Tuesday
12	Last Date of Locking of End Semester Marks on ERP	24.12.25	Wednesday
13	Declaration of End Semester Result	29.12.25	Monday
MAKE-UP EXAMINATION (MONSOON 2025)			
14	Registration of Make-Up Examination	30.12.25 to 02.01.26	Tuesday to Friday
15	Make-Up Examination	05.01.26 to 07.01.26	Monday to Wednesday
16	Last Date of Locking of Make-Up Examinations Marks on ERP	12.01.26	Monday
17	Declaration of Make-Up Examination Result	16.01.26	Friday
Notes:			
1	If the date of commencement of any academic activity is a holiday, the same will commence from the next working day.		
2	If the dates of Quizzes clash with declared holidays by Off-Campus, the scheduled quizzes on holidays, shall be rescheduled by the Directors'/Incharges' of respective Off-Campus.		
3	The marks of Quizzes should be displayed/communicated within five days from the conduct of Examination.		
4	Classes shall resume from the next day of completion of Mid Semester Examination for the respective programmes.		
5	All Students' Activity (Pantheon etc.) in BIT Mesra and Off-Campuses shall be held between 05.09.25 to 07.09.25.		
6	No Theory / Sessional Classes and External Examination shall be scheduled during the Preparatory Leave.

OFF-CAMPUSES AT : Noida (UP) || Patna (Bihar) || Deoghar (Jharkhand) || Jaipur Ranchi

The decision of the Birla Institute of Technology, Mesra (University), shall be final on all the matters.

1. The Institute has adopted the Choice Based Credit System (CBCS) providing flexible options to select courses from Programme Electives and Open Electives from Engineering, Sciences, Humanities and Social Sciences as per the course structure prescribed for each programme in addition to the core courses for that programme. Every student must register at the beginning of each semester on the specified dates as mentioned in the Academic Schedule for that year.
2. The academic year commences from July and ends in June. The semester starting from July and ending in December is termed as Monsoon Semester and the semester starting from January and ending in May is termed as Spring Semester. The Institute also has provision for Summer Short Semester to facilitate clearance of backlogs if required. The students who have not passed the examination in regular semester in one attempt can register their backlog subjects in short-semester examination conducted in the month of June every year.
3. Based on departmental assessment, some students may be permitted to register for more credits (around 20 % more than the normal) and some may also be permitted to register for less credit (around 20 % less than the normal).
4. The credit assigned to a course is based on the number of hours of direct teaching learning process (Lecture-L, Tutorial-T) per week for that course. However, in case of practical (P) involving laboratory / workshop instruction, the credit for the course is taken as half of the number of hours of direct teaching learning process per week for that course i.e. $\text{Credit} = L + T + 0.5 P$.
5. The students will be awarded a suitable letter grade after the completion of the teaching learning process and all assessments including the Semester End Examination. The marks obtained out of a total of 100 marks by a student in any course through the Continuous Internal Assessment and Semester End Examination will be converted into letter grades as per tables given below:

UG PROGRAMME:

Sl. No.	Marks	Grade	Grade Point	Remarks
1	90 and above	A+	10	Superlative
2	80 to 89	A	9	Outstanding
3	70 to 79	B	8	Excellent
4	60 to 69	C	7	Very Good
5	50 to 59	D	6	Good
6	40 to 49	E	5	Pass
7	Less than 40	F	0	Fail

6. Students getting 'F' grade in a course may clear that course in the Summer Short Semester or Additional Semester(s). The academic load during Summer Short Semester shall not exceed 12 credits.
7. Students registering for Summer Short Semester shall pay 30% of the Institute Tuition Fee applicable during the previous normal semester.
8. For each backlog paper in the regular semester, the student shall register himself/herself in the makeup examination announced by the BIT Mesra Examination Dept. A fee of Rs. 5,000 / - per backlog course(theory paper) shall be payable for the makeup examination.
9. Students in UG programs shall not be eligible for registering in 3rd, 5th, 7th and 9th semesters (as applicable) with backlog of more than three courses.
10. Students in PG programs shall not be permitted to register for 3rd semester with backlog of more than two courses.
11. The assessment of student learning outcomes will be as per the details mentioned in the course curriculum. The Continuous Internal Assessment will carry 50% of marks and Semester End Examination shall carry the remaining 50% of marks for that course. The Continuous Internal Assessment shall be spread over the whole semester employing appropriate assessment tools for that course by the teacher concerned as per the guidelines provided by the Course Coordinator/ Programme Coordinator/ Head of the Department/ Dean (Academic Programme).
12. The students will be required to fill up the Admit Form for Semester End Examination. Every student will be required to clear all Institute Dues failing which the student shall become ineligible for appearing in the Semester End Examination.
13. Withdrawal from a Semester A student may be permitted to withdraw temporarily from a semester due to severe sickness or similar exigencies. The semester from which, the student has withdrawn temporarily will not be counted in the total semesters for him/ her. Such students after re-joining in the subsequent semester will have to register for the courses according to the advice of Faculty Advisor/ Programme Coordinator/ Head of the Department. The registered student who opts for temporary withdrawal before the commencement of a semester may be reimbursed 50% of the Institute Tuition Fee for that semester. However, if the registered student opts for temporary withdrawal after the commencement of a semester, then he / she will be required to pay proportionate Institute Tuition Fee till the effective date of the temporary withdrawal, subject to a minimum of 50% of the Institute Tuition Fee for that semester. Similar provision will also apply to the Hostel Seat Rent. A student may opt for temporary withdrawal for more than one semester also but under no circumstances, the student will be allowed to opt for temporary withdrawal if the duration of the programme, including the duration of temporary withdrawal exceeds one and half times the normal duration of the programme. A student who decides to withdraw temporarily before registering for that semester may be allowed to do so with permission of the Dean (Academic Programme) and payment of temporary withdrawal fee of Rs. 10,000.
14. A student may be allowed to withdraw permanently from the Institute on any pressing personal reason or due to severe sickness. Such students who opt for permanent withdrawal will have to undergo the process of getting 'No Dues' from the Institute. After completing the entire process, the student may be allowed to withdraw permanently from the Institute. Student's name will be deleted from the Institute Roll and shall become ineligible to re-join the same programme in future.

15. Students who opt for permanent withdrawal from the Institute will not be refunded the Institute Fee. The Institute will also not demand any additional amount which would have been paid by the student in the subsequent semesters, had the student continued with the Institute. If some disciplinary action against any student becomes necessary, student's registration shall be modified as per provisions of the Office Order issued for this purpose. No refund of any fee would be applicable in case of cancellation of registration of course(s) or suspension for the remaining part of the semester. However, if a student has been suspended for a duration which is more than one semester, the student will not be required to pay the Institute Fee for the subsequent semester(s) of the suspension period.

16. Students are expected to attend all classes of all courses in which they are enrolled. It is mandatory for a student to have a minimum of 75% attendance in all registered courses. Students, who are found irregular and/or short of 75% attendance will be de-registered and shall have to register again in the course where minimum of 75% attendance has not been attained by the student. If a student has been de-registered from any course in a semester due to shortage of attendance, he/she will not be allowed to appear in the Semester End Examination. The student may be permitted to re-join in the next semester with an undertaking from the student and parents that the student would attend all classes.

17. Student interested to register for a few courses at other reputed University or in Massive Open Online Courses (MOOCs) of reputed Universities/ Bodies should normally apply in advance to Dean (Academic Programs) with the recommendation of their Programme Coordinator/ Head of Department. The Equivalence Committee of the Institute will inform the student about its decision on granting permission and equivalence at the earliest possible. A student who registers for few courses at other reputed Universities (those in top 40 of Engineering Ranking of NIRF or top 500 of QS World Ranking) or registers in Massive Open Online Courses (MOOCs) and similar courses offered by similarly reputed Universities/ Bodies will be allowed to do so and his/ her credit may be transferred to the Institute after appropriate verification by the department. Such transferred credits will be eligible for fulfilment of the credit requirements for the award of degree in the Institute.

18. The credit requirement for the award of degrees for various programmes offered by the Institute is provided in the course curriculum of respective programmes. A student who completes the credit requirements for that programme, secures letter grade 'E' or higher for UG programmes and letter grade 'D' or higher for PG programmes in all registered courses, and attains a minimum CGPA of 5.00 for UG programmes and a minimum CGPA of 6.00 for PG programmes will be considered to have completed all requirements for the award of degree. Students who earlier got letter grade 'F' in a course or in few courses, but later secured letter grade 'E' or higher for UG programmes and letter grade 'D' or higher for PG programmes during Summer Short Semester or Additional Semester(s) will also be considered to have fulfilled the requirement of successfully completing the course(s). Students pursuing B.Tech. programme will have an option to select a prescribed basket of additional courses of minimum 20 credits to get a minor from another department or specialization within the parent department. First Class will be awarded to UG and PG students with CGPA of 6.00 or above. For UG students, First Class with Distinction will be awarded to those successfully completing all their courses in only one attempt with final CGPA of 7.5 or above. UG students with CGPA in the range 5.00 to 5.99, will be awarded Second Class.

19. The detail of Institute norms for Registration under CBCS scheme can be seen or downloaded from Ordinance option under Academics menu Institute website : www.bitmesra.ac.in.

20. All the enrolled students are provided ERP login account and normally the user-id allocated for his ERP is his roll-no e.g. BTECH/25XXX/19 or BCA/25XXX/19 and password will be his DOB - DDMMYYYY(e.g.21051997).

21. One can go for online payment of semester fee and then online course registration through Institute ERP software. The steps for making online payment or registration through ERP is as below:

Load the website - www.erpportal.bitmesra.ac.in

Login with your ERP login account: Username -

Password -

Captcha -

Click on Login

After successful login one should choose Academics menu ☒

And then click on online payment or course registration option.

In case of any difficulty / error one should write an email to bpathak@bitmesra.ac.in along with his/her complete details such that name, roll-no, mobile no, email-id.

RULES OF EXAMINATIONS

1. Before participating in any academic event viz. examination, seminar and other activity of different UG or PG programme of our Institute the student must register the offered courses of that session. The Institute follows a semester system. In one academic year there are two semesters of six months duration. The academic year commences from July and ends in June. The semester starting from July and ending in December is termed as Monsoon Semester (session MO) and the semester starting from January and ending in May is termed as Spring Semester (Session SP). The Institute also has provision for Summer Short Semester to facilitate clearance of backlogs if required. The students who have not passed the examination in regular semester in one attempt can register their backlog subjects in short-semester examination conducted in the month of June every year.

2. Based on departmental assessment, some students may be permitted to register for more credits (around 20 % more than the normal) and some may also be permitted to register for less credit (around 20 % less than the normal).

3. The students will be awarded a suitable letter grade after the completion of the teaching learning process and all assessments including the Semester End Examination. The marks obtained out of a total of 100 marks by a student in any course through the Continuous Internal Assessment and Semester End Examination will be converted into letter grades.

4. Students getting 'F' grade in a course may clear that course in the Summer Short Semester, Make-up Examination or Additional Semester(s). The academic load during Summer Short Semester shall not exceed 12 credits.

5. Attendance Requirement: Students are expected to attend all classes of all courses in which they are enrolled. It is mandatory for a student to have a minimum of 75% attendance in all registered courses. Students, who are found irregular and/or short of 75% attendance will be de-registered and shall have to register again in the course where minimum of 75% attendance has not been attained by the student. If a student has been de-registered from any course in a semester due to shortage of attendance, he/she will not be allowed to appear in the Semester End Examination. Students deregistered from all courses in a semester will also be required to vacate the hostel. The student may be permitted to re-join in the next semester with an undertaking from the student and parents that the student would attend all classes and would satisfy the mandatory attendance requirement. No refund of Institute Fee will be applicable in this case.

6. Students registering for Summer Short Semester shall pay 30% of the Institute Tuition Fee applicable during the previous normal semester and for Make-up Examination Rs.5000/- per paper is charged.

7. Progression to higher semester:

a. Students in UG programs shall not be eligible for registering in 3rd, 5th, 7th and 9th semesters

(as applicable) with backlog of more than three courses.

b. Students in PG programs shall not be permitted to register for 3rd semester with backlog of more than two courses.

- c. For the students of UG, regulations will be followed up to the first 6 semesters of the program, and from the 7th semester onward, PG regulations will be applicable.
- d. For each backlog paper in the regular semester, in addition to the normal Institute Semester Fee, an additional fee for the backlog course shall be payable. The students may be permitted to register for the backlog courses of credits (around 20 % of the total credits offered in the regular semester). The details of the short semester and the Make-up Exam may be referred to on the BIT Mesra Website.

8. The academic performance of the student is assessed through Internal Evaluation in a progressive mode (in the form of mid-semester examinations, written quizzes, assignments, and experiments in laboratories) and External Evaluation (in the form of End-semester written examinations) for each registered subject in an academic session. End-semester examinations will be conducted after the end of the last class conducted in the session.

9. Marks Awarding Process:

(A) For UG Students

Theory Courses (100 Marks)			
1	Semester End Examination	50%	The question paper will have 5 questions with one question from each of the 5 modules in the syllabus and there will be no choice.
2	Mid Semester Examination	25%	The question paper shall not carry any choice. There shall be five (5) questions each carrying 5 marks
3	Two Quizzes	20%	There shall be two quizzes of 10 marks each. First quiz will be held before mid-semester examination and the second quiz before semester end examination.
4	Teacher's Assessment	5%	This assessment shall be decided by the teacher(s) conducting that course.
Laboratory Courses (100 Marks)			
1	Internal Assessment	60%	Day to day performance & Lab files -- (30%) Quiz -- (10%) Viva -- (20%)
2	Semester End Examination	40%	Examination Experiment Performance -- (30%) Quiz -- (10%)

The Institute has 10.0 grade point scales in the examination system. In the Grade Report the student will be awarded Semester Grade Point Average or SGPA in every semester and Cumulative Grade Point Average or CGPA will awarded in his provisional certificate after completion of the academic programme. Equivalent Percentage can be computed as CGPA x 10. The report contains the grades awarded as per the following details:

The Progression to Higher semester: UG programmes Students shall not be eligible to register 3rd, 5th and 7th semesters with backlog of more than three courses

10. Award of Degree:

The credit requirement for the award of degrees for various programmes offered by the Institute is provided in the course curriculum of respective programmes. However, the credit requirements may be modified in case, there is any specific directive of the Statutory Councils (like AICTE, PCI, or COA) in this regard.

A student who completes the credit requirements for that programme, secures letter grade 'E' or higher for UG programmes and letter grade 'D' or higher for PG programmes in all registered courses, and attains a minimum CGPA of 5.00 for UG programmes and a minimum CGPA of 6.00 for PG programmes will be considered to have completed all requirements for the award of degree.

Students who earlier got letter grade 'F' in a course or in few courses, but later secured letter grade 'E' or higher for UG programmes and letter grade 'D' or higher for PG programmes during Summer Short Semester or Additional Semester(s) will also be considered to have fulfilled the requirement of successfully completing the course(s).

Students pursuing B.Tech. programme will have an option to select a prescribed basket of additional courses of minimum 20 credits to get a minor from another department or specialisation within the parent department.

First Class will be awarded to UG and PG students with CGPA of 6.00 or above. For UG students, First Class with Distinction will be awarded to those successfully completing all their courses in only one attempt with final CGPA of 7.5 or above. UG students with CGPA in the range 5.00 to 5.99, will be awarded Second Class.

11. Gold Medal for UG Students:

Gold medal in any discipline will be awarded to the UG student who has obtained the highest CGPA from among all students clearing the requirements for that degree in that year and has cleared all papers in one attempt.

The student can see the Examination Schedule, Notices and Semester Results on the following website: www.bitmesra.ac.in or one can e-mail to coe@bitmesra.ac.in

Following examination norms are strictly followed during the examinations:

1. No student is allowed to sit in the examination without identity card.
2. Use of paper chit/electronic gadget/calculator with storage or any other mode of unfair means is strictly prohibited.
3. No student is allowed to carry Mobile-phone inside Examination Hall.
4. The student has to report for the Examination 15 minutes before commencement of the scheduled examination at their defined examination room.

Temporary absence from the examination hall during first 30 minutes and last 10 minutes is strictly prohibited.

LIBRARY RULES

1. The members (students) have to fill up a Library Membership Form, available in the library, for getting TWO library cards per head.

3. Books issued from the library can not be transferred in the name of any other member.

5. If urgently required, the books issued from the Library may be recalled before the due date. On such recall, members should be able to return such books to the library within next THREE days.

7. "Reference (single copy) or Rare" books, journals, periodicals, reports, magazines, newspapers & similar reading materials will not be issued from the library to anybody.

8. No Reissue of books will be done to the members immediately upon return. After a lapse of at least ONE day the same books can be reissued.

9. The members may return the book on or before the due date. However, if the due date falls on a holiday, the book should be returned before the holiday or on the first working day after the holiday. No auto renewal is permitted.

10. If the book is not returned on the due date, the borrower will be fined Rs.10/- (Rupees Ten only) per day per volume till the book is returned/replaced within a maximum period of 60 days. The library can refuse to issue books to a borrower having overdue books.

11. If the above issue is not resolved after one month (30 days), the library card of the user will be temporarily suspended for any new transactions except returning of issued books.

12. Member can return/replace the book along with fine as on date or deposit the cost of book + 20% penalty on cost towards processing charges + accumulated fine on any working day during next 30 days' time. In case the issue is not resolved within two months' time (60 days) as stated above, the cost of the book with a penalty of 20% on the cost and fine for two months (INR 600, Rupees Six Hundred only per book) is due on the user.

13. The fine, if not deposited, will be deducted from the Caution Money of the student before issuing "No Dues" Certificate.

14. Loss of borrowed material must be reported immediately in writing. The borrower shall replace the lost/damaged book with its latest edition, else the price shall have to be paid. The fine, if applicable, shall also have to be paid as per Institute's rules.

11. Students from other colleges / educational institutions or guests are not allowed access to the library/reading room facility.

Campus Placement Cell

The campus has a placement cell to guide students about their career plan, to train them and to facilitate their placement in reputed organizations. The Cell also coordinate for the students who opt for higher studies in premier institutions in India and abroad (M.Tech, MS, Doctoral Courses) Excellent relationship with prospective employers and an intelligent mechanism of analysis of student's interest, strength, weakness , training needs , etc. are the highlighting features of the placement cell. The focus of the placement cell is to train and prepare students in such a way that they are gladly accepted by the best organizations, corporate & industry in India and abroad.

Keeping in view the long term career prospects with scope of learning opportunities, we give high importance to the standing of the employer and offered job profile, undoubtedly a good financial remuneration naturally follows these two basic aspects. Based on high reputation of BIT in academic standards and in grooming students in descent environment , our students are categorized in a special bracket and thus good job profiles with attractive financial package are generally offered to them.

The cell operates in close guidance of the centralized placement division of our main campus at Mesra, Ranchi. Through the coordinated efforts, BIT students are placed in leading corporates and PSUs. The BIT Jaipur Campus has an excellent record of quality placement along with selection of students in premier institutions in the country and abroad for higher studies . Along with the year wise campus placement details , the details of bright career of students has been given on the BIT Jaipur Campus web link with a scrolling title "Impressive Career Progression of bright BIT Jaipur Campus Students"

For the better placement of the students following activities are conducted by the faculty members for the students :

- Mock test : aptitude, numerical ability, technical etc.
- mock interview
- Group discussion
- Problem solving classes

SOME RECRUITERS FOR BTECH COURSES

Capgemini

Deloitte

Infosys®

LARSEN & TOUBRO

The following categories of BIT GP Birla Scholarship/ Assistantship will be available to the students of four-year UG Courses of all campuses during SP 26.

(A) BIT GP Birla Scholarship

BIT GP Birla Scholarship will be provided to the meritorious students solely based on their academic performance in MO 2025 without any consideration of their family income. A limited number of scholarships is available under this category. The Scholarship Committee will decide the cut-off for this category based on the available funds. An attempt will be made to distribute the scholarship uniformly among UG programmes(Four years) and across students of all batches.

(B) BIT GP Birla Scholarship for B.Tech. and B.Arch. based on AIR in JEE(Main) as mentioned in the advertisement for admission in B.Tech. and B.Arch. programmes, candidates who have secured prescribed All India Ranks in JEE (Main) are eligible to receive the scholarship under this category.

Fueling Creativity and Connection

The institute canteen is far more than a place to grab a quick bite; it serves as a lively hub where students come together to relax, socialize, and exchange ideas

Home away from home

The institute's hostel provides a comfortable and secure living environment for female students, thoughtfully designed to meet their daily needs.

Where dreams take flight

The institute's playgrounds and gym area are vibrant spaces where students channel their energy and passion for sports and fitness.

RECENT EVENTS HELD AT BIT MESRA, OFF CAMPUS JAIPUR

1) IIT Bombay Zonal Event dated December 2024 under MoU aims to create a platform for young minds to engage with real-world challenges through education, technology, and innovative problem solving.

आईआईटी बॉम्बे ने जोनल इवेंट बिरला प्रौद्योगिकी संस्थान के जयपुर परिसर में आयोजित किया

न्यूज ऑफ दि डे

जयपुर। आईआईटी बॉम्बे की सामाजिक पहल अभ्युदय ने जयपुर में अपना पहला ऑफलाइन जोनल इवेंट सफलतापूर्वक आयोजित किया, जो सामाजिक परिवर्तन के मिशन में एक महत्वपूर्ण कदम साबित हुआ। यह इवेंट बिरला प्रौद्योगिकी संस्थान मेसरा के जयपुर परिसर और आईआईटी बॉम्बे के बीच हुए समझौते (MoU) के तहत हुआ।

इस इवेंट में छात्रों और विशेषज्ञों ने सामाजिक समस्याओं के समाधान के लिए उद्यमिता, सोशियो-इकॉनॉमिक और ओलंपियाड जैसी गतिविधियों में भाग लिया। मुख्य अतिथि डॉ. पीयूष तिवारी, निदेशक, ने इस जोनल कार्यक्रम का उद्घाटन किया। उन्होंने बताया कि इन आयोजनों का उद्देश्य समाज में जिम्मेदारी और जागरूकता फैलाना है। जोनल इवेंट के संकाय समन्वयक डॉ. पीयूष

गुप्ता, और छात्र समन्वयक देवांश सोनी ने इस इवेंट की सफलता सुनिश्चित की।

यह उद्घाटन जोनल कार्यक्रम अपनी पहुंच का विस्तार करने और स्थिरता और जिम्मेदारी की संस्कृति को बढ़ावा देने के लिए अभ्युदय की प्रतिबद्धता का प्रतीक है। नवोन्मेषी समाधानों के साथ युवा क्षमता को एकजुट करके,

अभ्युदय ने एक ऐसे भविष्य के लिए मंच तैयार किया है जहां सामाजिक प्रभाव केंद्र स्तर पर है। इस पहल की सफलता न केवल आईआईटी बॉम्बे और बीआईटी मेसरा जयपुर कैम्पस के बीच सहयोग को मजबूत करती है बल्कि देश भर में प्रभावशाली साझेदारी और परियोजनाओं का मार्ग भी प्रशस्त करती है।

2) Technical Fest "Yugsetu- 2025" held in January 2025 Under Platinum Jubilee year of BIT Mesra.

बिरला इंस्टीट्यूट के जयपुर कैंपस में प्लैटिनम जुबली उत्सव वर्ष के तहत तकनीकी उत्सव "युगसेतु 2025" का आयोजन किया गया

न्यूज ऑफ दि डे

जयपुर। बिरला इंस्टीट्यूट ऑफ टेक्नोलॉजी, मेसरा के जयपुर कैंपस ने प्लैटिनम जुबली वर्ष समारोह के तहत सफलता पूर्वक तकनीकी उत्सव "युगसेतु 2025" का आयोजन किया, जो इंजीनियरिंग और प्रौद्योगिकी में नवाचार और सहयोग का उत्सव था। इस प्रमुख तकनीकी आयोजन का उद्घाटन समारोह 21 जनवरी को आयोजित किया गया, जिसमें क्षेत्र के विभिन्न इंजीनियरिंग कॉलेजों के छात्रों और संकाय सदस्यों ने उत्साहपूर्वक भाग लिया।

उद्घाटन समारोह में निदेशक, डॉ. पीयूष तिवारी और एमएनआईटी जयपुर के डॉ. अमित महेश जोशी उपस्थित थे, जिन्होंने प्रौद्योगिकी नवाचार की भविष्य की आकार देने में महत्वपूर्ण भूमिका पर अपने प्रेरणादायक भाषणों से

दर्शकों को प्रेरित किया। युगसेतु आयोजन में गतिविधियों की भरमार थी, जिसमें उन्नत ड्रोन और स्वचालित रोबोट से लेकर कृत्रिम बुद्धिमत्ता-आधारित समाधानों तक के विविध तकनीकी प्रोजेक्ट प्रदर्शित किए गए। इन प्रदर्शनों ने प्रतिभागियों की रचनात्मकता, तकनीकी कौशल और समस्या-समाधान क्षमता को प्रदर्शित किया, जिससे सभी उपस्थित लोगों के लिए एक आकर्षक और सूचनाप्रद अनुभव बना। टेकफेस्ट समन्वयक गौरव जैन ने यह जानकारी दी कि कई

इंजीनियरिंग कॉलेजों की टीमों ने अपने प्रोजेक्ट प्रस्तुत किए और शीर्ष सम्मान के लिए प्रतिस्पर्धा की। इस आयोजन का मुख्य उद्देश्य तकनीकी जानकारी को आगे बढ़ाना और युवा इंजीनियरों व नवप्रवर्तकों के बीच विचारों के आदान-प्रदान और सहयोग के लिए एक मंच प्रदान करना था। निदेशक डॉ. पीयूष तिवारी ने बताया कि इस आयोजन ने न केवल तकनीकी उपलब्धियों का उत्सव मनाया बल्कि नवाचार और टीमवर्क की संस्कृति को बढ़ावा देने के महत्व पर भी जोर दिया।

3) Battle of Bytes- An event based on IPL was organized to provide the opportunity to the students to exhibit their coding and design skills from 9th to 12th April 2024

बिड़ला इंस्टीट्यूट में आईपीएल की तर्ज पर 'बैटल ऑफ बाइट्स' कोडिंग और तकनीकी कौशल उत्सव का आयोजन हुआ

जनसंवाद प्रहरी

जयपुर(का.सं.)। बिड़ला इंस्टीट्यूट ऑफ टेक्नोलॉजी, मेसरा, ऑफ-कैपस जयपुर ने कोडिंग कौशल और तकनीकी कौशल के तीन दिवसीय उत्सव, बैटल ऑफ बाइट्स की 9 अप्रैल से 12 अप्रैल तक मेजबानी की। इस मनोरंजक कार्यक्रम में बुद्धिमान छात्र एवं छात्राओं को आईपीएल-शैली के प्रारूप में प्रतिस्पर्धा करते हुए दिखाया गया, छात्र एवं छात्राएं कोडिंग चैंपियन के प्रतिष्ठित खिताब के लिए प्रतिस्पर्धा कर रहे थे। 28 मार्च को प्री-इवेंट तमाशा, नीलामी, पलुजा के साथ शुरुआत करते हुए, संकाय सदस्यों ने सलाहकारों की भूमिका निभाई, सबसे कुशल कोडर को सुरक्षित करने के लिए एक उत्साही नीलामी के माध्यम

से रणनीतिक रूप से अपनी टीमों को इकट्ठा किया। प्रतियोगिता तीन दिनों तक तीव्रता के साथ चली, जिसमें प्रतिभागियों के आईटी कौशल और कोडिंग निपुणता का परीक्षण करने के लिए चुनौतियों की एक विविध श्रृंखला शामिल थी। प्रतिभागियों को शट लैंग्वेज, एसक्यूएल और कंप्यूटर विज्ञान के अन्य मूलभूत पहलुओं से जुड़े सवालों से जूझना पड़ा। आखिरी दिन के गैंड फिनाले में पायथन और प्रतिस्पर्धी कोडिंग राउंड में दिलचस्प प्रदर्शन हुआ। छात्र एवं छात्राओं ने बैटल ऑफ बाइट्स की प्रतिस्पर्धा में न केवल नवाचार और उत्कृष्टता की भावना का जश्न मनाया, बल्कि अगली पीढ़ी के प्रौद्योगिकीविदों के अदम्य जुनून और प्रतिभा के प्रमाण के रूप में भी काम किया।

4) The six-day AICTE ATAL-sponsored Faculty Development Program (FDP) on Blockchain Governance was conducted at BIT Mesra, Jaipur Campus from December 23 to December 28, 2024.

छह दिवसीय ऑनलाइन फैकल्टी डेवलपमेंट प्रोग्राम शुरू

न्यूज ऑफ दि डे

जयपुर। बी.आई.टी. मेसरा, ऑफ-कैपस जयपुर द्वारा आयोजित छह दिवसीय ऑनलाइन फैकल्टी डेवलपमेंट प्रोग्राम (FDP) "ब्लॉकचेन शासन संरचनाएं और विश्वास: सिद्धांत से अभ्यास तक" का उद्घाटन 23 दिसंबर, 2024 को डॉन (अनुसंधान, नवाचार और उद्यमिता), प्रो. जगन्नाथन एवं

निदेशक डॉ. पीयूष तिवारी द्वारा किया गया, जिन्होंने ब्लॉकचेन तकनीक के महत्व और इसके व्यावहारिक उपयोग पर प्रकाश डाला। कार्यक्रम में देशभर से, लगभग सभी प्रदेशों से कुल 255 प्रतिभागियों ने भाग लिया। इस एफडीपी का उद्देश्य प्रतिभागियों को ब्लॉकचेन गवर्नेंस और ट्रस्ट के सिद्धांतों तथा व्यावहारिक पहलुओं पर ज्ञान प्रदान करना था। विशेषज्ञ

वक्ताओं के व्याख्यान और विचार-विमर्श ने प्रतिभागियों को नई जानकारी और शोध के लिए प्रेरित किया।

एफडीपी के समन्वयक डॉ. पंकज गुप्ता और सह-समन्वयक डॉ. मदन मोहन अग्रवाल ने कार्यक्रम का संचालन किया। छात्रा समन्वयक शिल्पी एवं जया रानी ने कार्यक्रम की सफलता सुनिश्चित की।

5) The six-day AICTE ATAL-sponsored Faculty Development Program (FDP) on Generative Artificial Intelligence was successfully conducted at BIT Mesra, Jaipur Campus from November 25 to November 30, 2024.

6) Industrial visit of UG Students

Students are advised to visit BIT Mesra website (www.bitmesra.ac.in) for all the matters related to Examination, Academics, Admissions, etc. The decision of the Birla Institute of Technology, Mesra (University), shall be final on all the matters.

BEST OF LUCK
